62     <h4>An E-Commerce Web Designer</h4>
63     <p>A Web designer is someone who prepares content for the Web.<br>
64     This role is mainly related to the styling and layout of pages with content,
65     including text and images. Web designers use many technologies but commonly
66     rely on hypertext and hypermedia resources including HTML, CSS
67     and additional Web design tools.</p>
